## Press Information

Berlin, 14 MAR 2024

## Berlin Art Week 2024—Open Call BAW Featured

For the 13th edition of Berlin Art Week (11-15 SEP 2024), special projects can be submitted for the ›BAW Featured‹ section until 15 MAY 2024. Out of all submissions, roughly ten projects will be awarded a place in the 2024 festival programme by an annually newly appointed Selection Committee. The aim of the selection is to further underline the artistic quality and diversity in the city and to enrich Berlin Art Week with various institutional and art forms, themes and perspectives.

The prerequisite for participation is a contribution to contemporary art that opens during Berlin Art Week or represents a special programme within the festival week.

Berlin Art Week is a festival week and major collaboration between important players in Berlin's contemporary art scene, from museums to exhibition houses, fairs and galleries, to private collections and project spaces. Since its founding in 2012 with 11 partners, Berlin Art Week now unites more than 100 partners throughout the city.

The online form and more information on how to participate can be found [here](#).

Berlin Art Week is a project of Kulturprojekte Berlin. It is made possible with the support of the Senate Department for Culture and Community, the Senate Department for Economics, Energy and Public Enterprises, and realized with funding from Berliner Volksbank eG.
